GET YOUR MUSIC HEARD

FAST

KGMC STUDIO IS THE PLACE.

Finally there is a Pro Studio where you can get your song ideas down and ready to submit, without breaking the bank. Whether it's a single track, a full band production, or an "enhanced" production track, KGMC Studio's can give you the finish product that will stand out.

The production team are not only great sound engineers, but they are musicians like you. They know how to turn a good song into a great song. Let us work our "magic" for you on the next song project.

Plus we are now offering "Enhanced" production tracks. If your song isn't quite complete musically, or you feel you aren't giving the song the right amount of "direction", let the team at KGMC Studio's put the finishing touches on for you, including vocals if need be. Prices will vary depending on how much you need but ask us for a package quote.

If you are seeking that high-definition mastered track, but are on a budget call us today.
